Volume XXXII

When good friends walk beside us . . .
On the trials we must keep . . .
Our burdens seem less heavy . . .
And the hills are not so steep . . .
The weary miles pass swiftly . . .
Taken in a joyous stride . . .
And all the world seems brighter . . .
When friends walk by our side.

As we think back to our years at B.C.S. [illegible] real[illegible] lives began the moment we stepped into the classrooms. It was in these classrooms that true guidance and friendship began. Our teachers and friends gave us the security we needed to get through the first years of life.

Now as Seniors we realize we must begin another new life. A life that calls us to be dependent on ourselves rather than others. But memories of B.C.S. will remain with us forever because it was here where we grew up.

We hope you will enjoy this edition of La Liberté and share with us these very special memories.

Dedication

Each year the graduating class is given the special honor of chosing a person whom they feel deserves extra recognition.

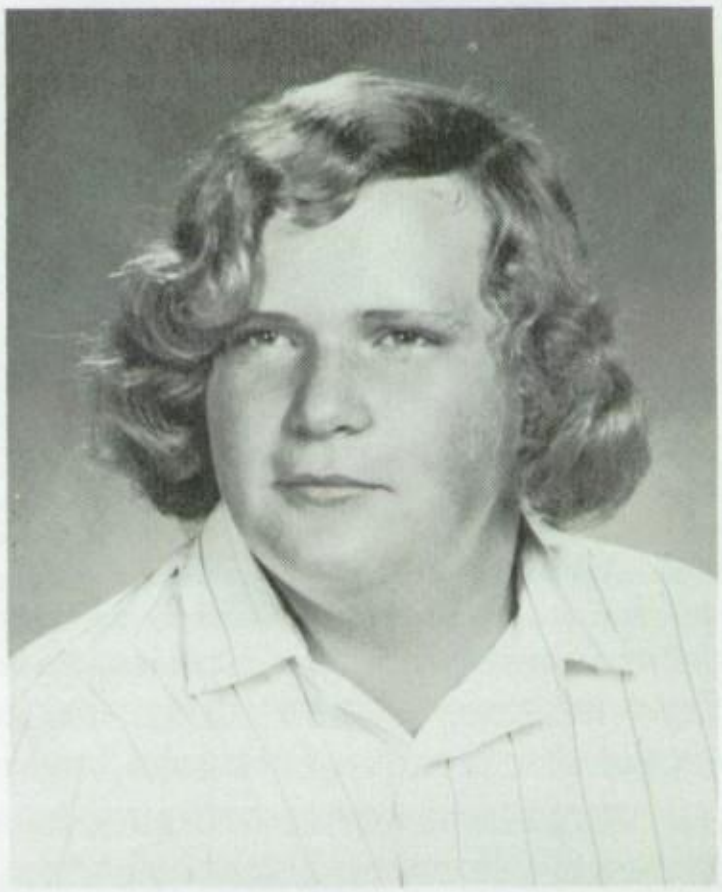
This year it gives us, the Senior Class of 1976, great honor to dedicate this edition of LaLiberté to a faculty member who is not only a teacher but a true friend. This person is not only concerned about the welfare of the students but tries to help in whatever way he can.

It is therefore with great respect and admiration that we the graduates of 1976, dedicate this edition of La Liberté to you:

Mr. James Ward

In Memory Of,

Mrs. Annabelle Feser



Mark Wester, Class of 1975

And remember what peace
There may be in
Silence.

Friends, I will remember you,
Think of you,
And I'll pray for you.
And when the day is through,
I'll still be friends with you.

Now, now Don, don't cry.

Mine's chocolate Harold, what's yours?

Here, maybe you need these glasses more than I do!

Three votes for Miss Bryan to carry the trays.

Senior Class History

1976 is a year that will be memorable to both the graduating class and the Nation. It represents the birth of the United States and the emergence of young adults from their childhood. For four years both the class of 1976 and the Nation have prepared for this spectacular year.

Beginning our four year trek through Brocton we elected the following officers to guide us during our freshman year. Jane Mawhir was president, Linda Crooks vice president, Jay Barnes secretary, and Jodie Franze was treasurer. Mrs. Gaglione was well chosen as our class advisor. During that year the freshmen had a carnival with many booths and exhibits to help us raise money for a senior class trip. We also held a dance as a fund raiser.

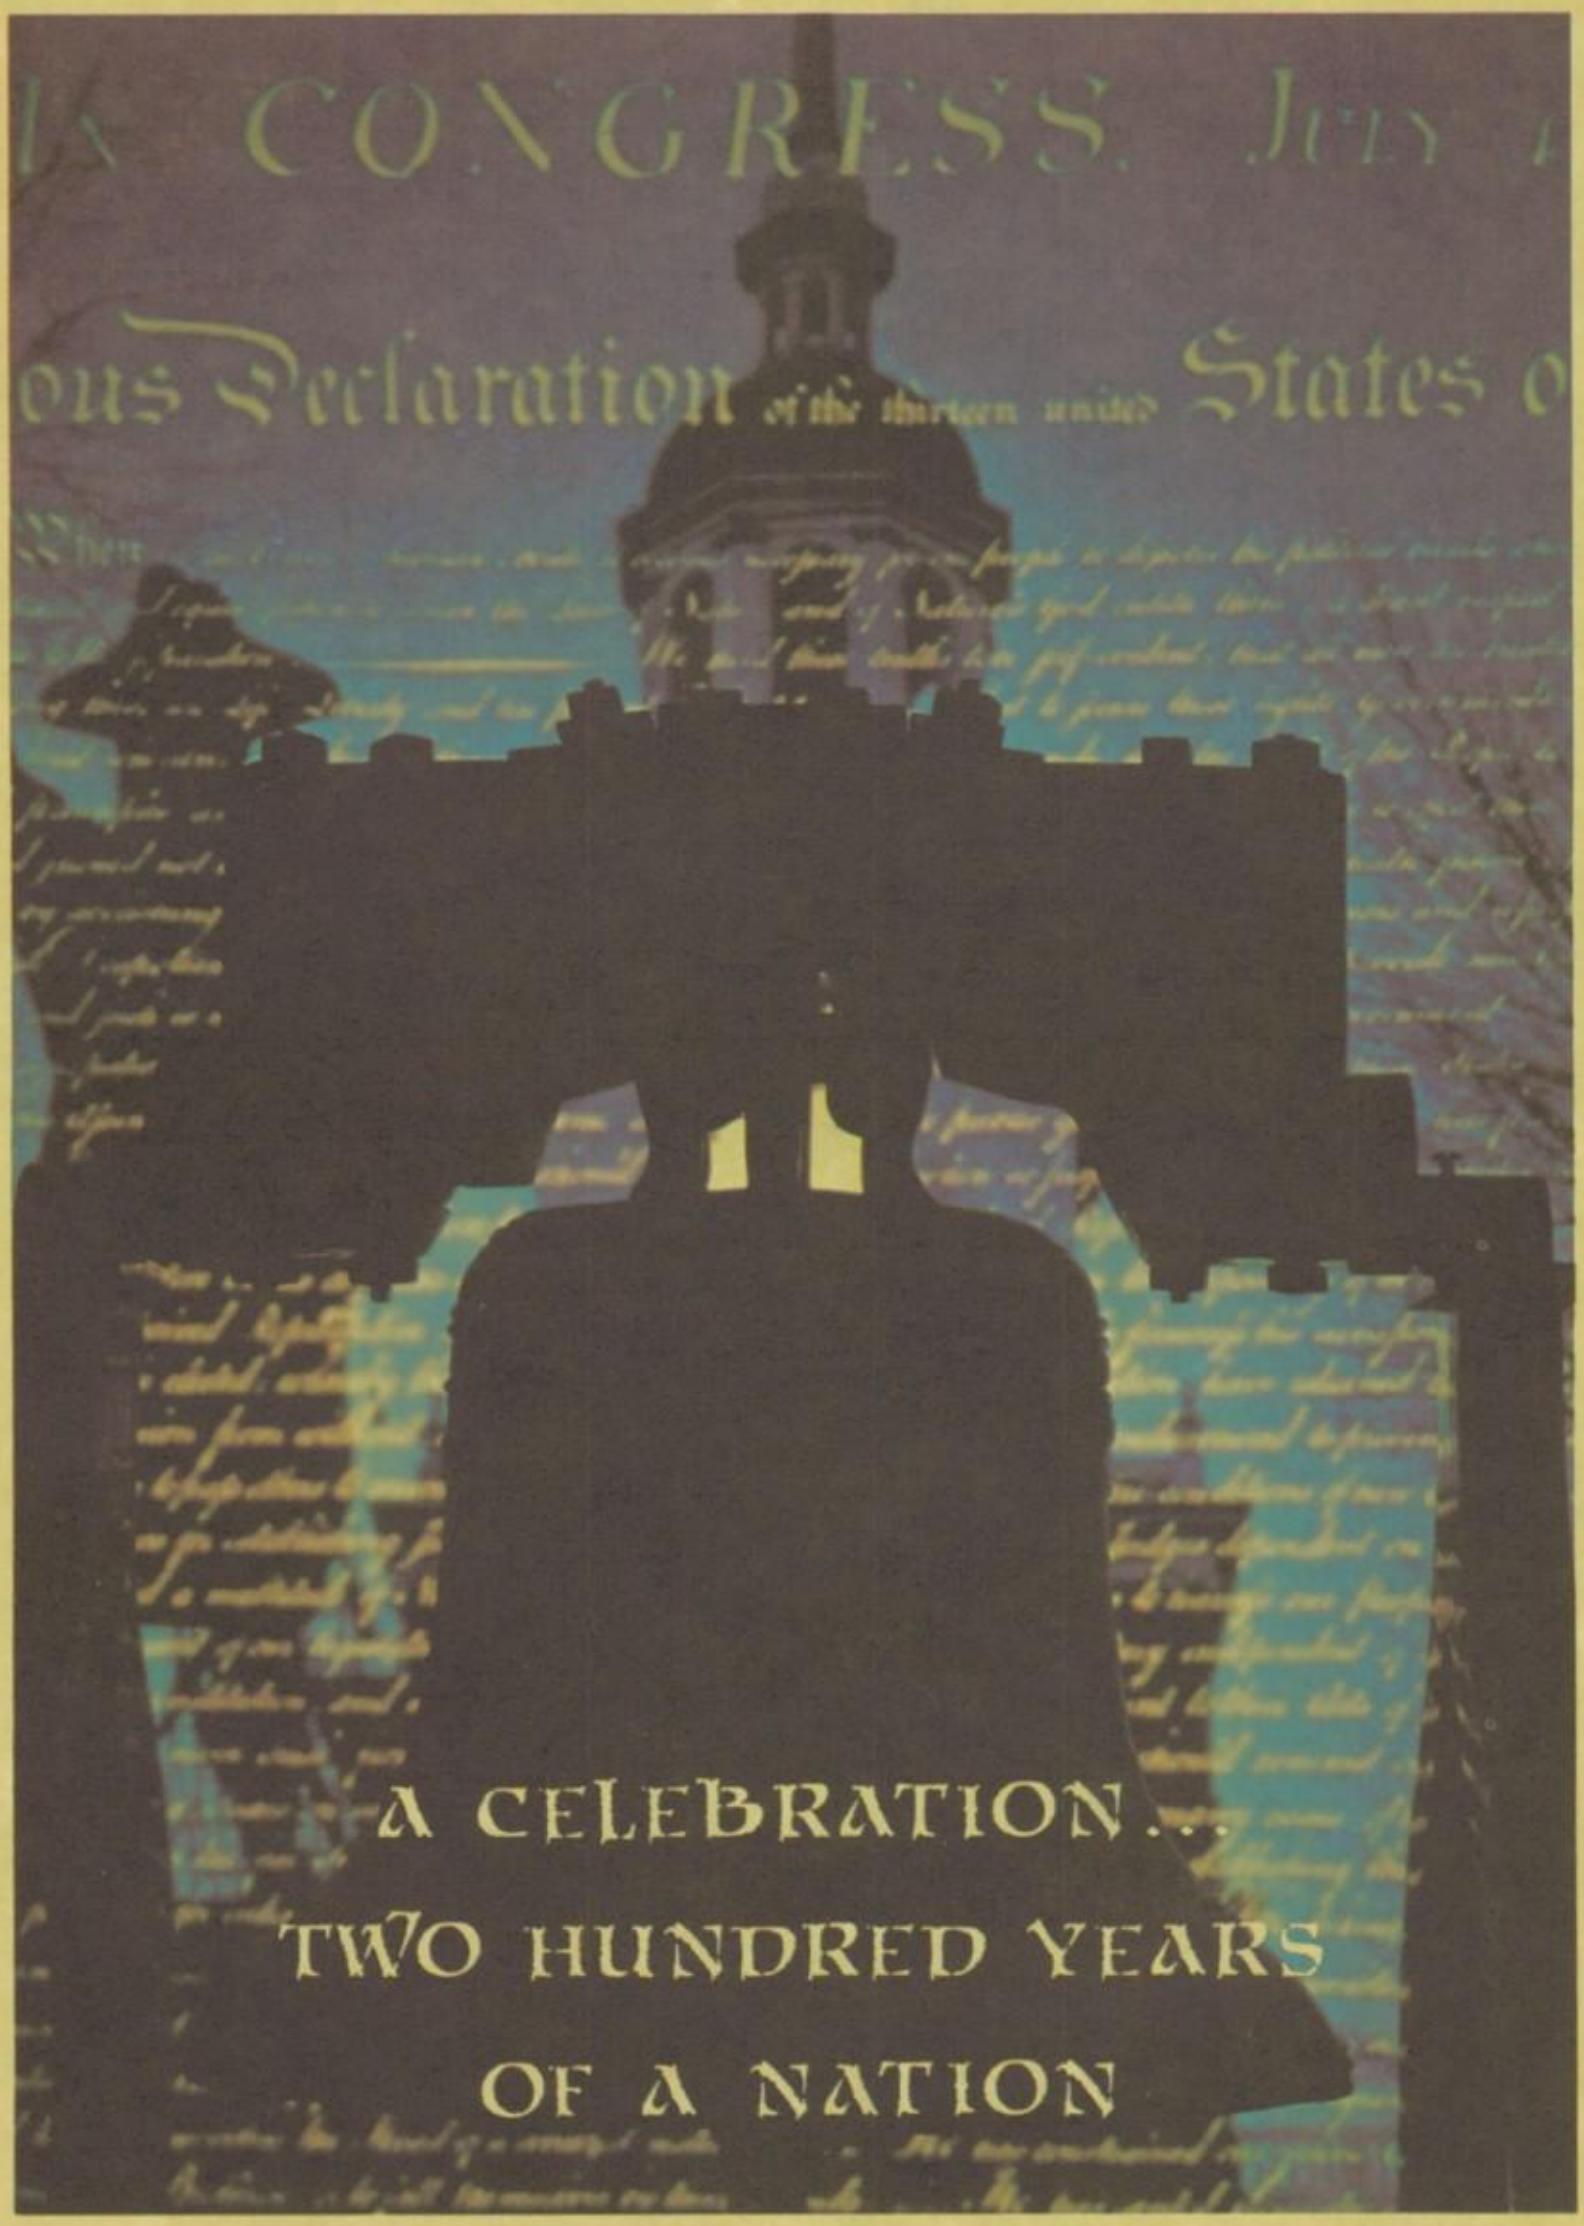
With one year of high school behind us we elected our sophomore officers. Jane Mawhir was again our class president, Jay Barnes–vice president, Yvonne Mitchell secretary, and Mary Swetland was class treasurer. Mr. Cook as class advisor helped us with a very decisive year. The theme "Spirit of 76" secured the sophomore class with first prize during Spirit Week. In order to increase our treasury, we held another carnival that was very successful. The sophomores also accommodated the annual Sophomore Smorgasbord into our busy schedule. In the spring we received our long awaited class rings.

The Junior year seems to be the time when a class needs to unite in order to get things done. Our class joined very early in the year as we painted the Junior concession stand for the approaching football season. We are deeply indebted for the time Mr. Reynolds, our class advisor, took out in order to help us during this year. Sue Powell–president, Patty Heeder–vice president, Jodie Franze–secretary, and Dick Dolce treasurer also led the class through this busy year. Topping the year off, the Juniors held a dinner-dance for the Seniors at the Holiday Inn with Yesterday as a theme. Leaving our eleventh year, many of us were filled with fond memories.

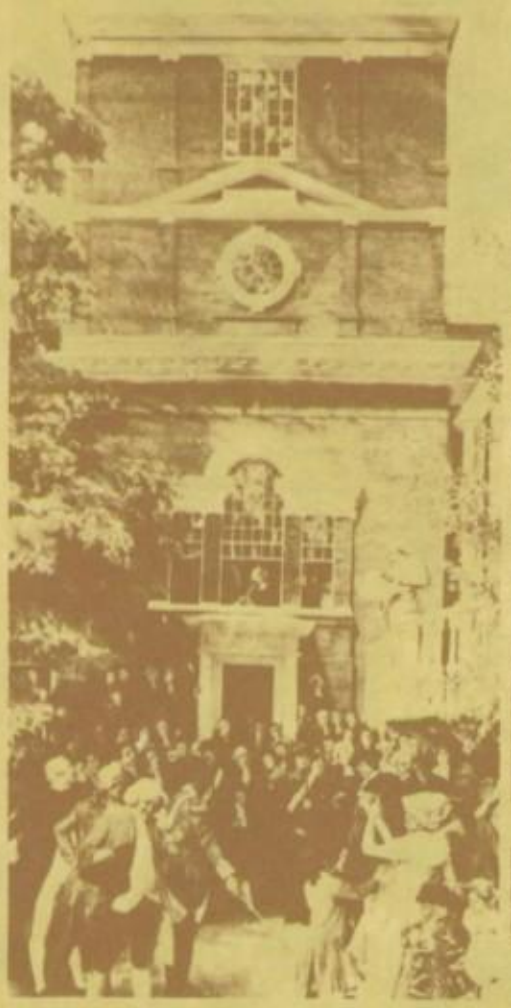
Entering a year of excitement and hard work, the class of 1976 elected Stephen Zanghi as president, Michael Riforgiat as vice president, Holly Barreca–secretary, and Judy Austin as treasurer. Ms. Dickerson took the difficult task as our class advisor. On Halloween the Seniors gave the underclassmen a movie in the afternoon and held a party upstairs for themselves. Our Senior Play, A BARREL OF PENNIES, was chosen and directed by Miss Adrienne Stock with Patty Heeder as student director. Those starring in the play were Doug Hayes, Liz Paddock, Antoinette Graziano, Sue Powell, Jay Barnes, and Dick Dolce. We held Saturday afternoon movies to help raise money for our class trip. The class of '76 showed their height of spirit during Spirit Week. The Homecoming Queen for '76 was Sue Powell.

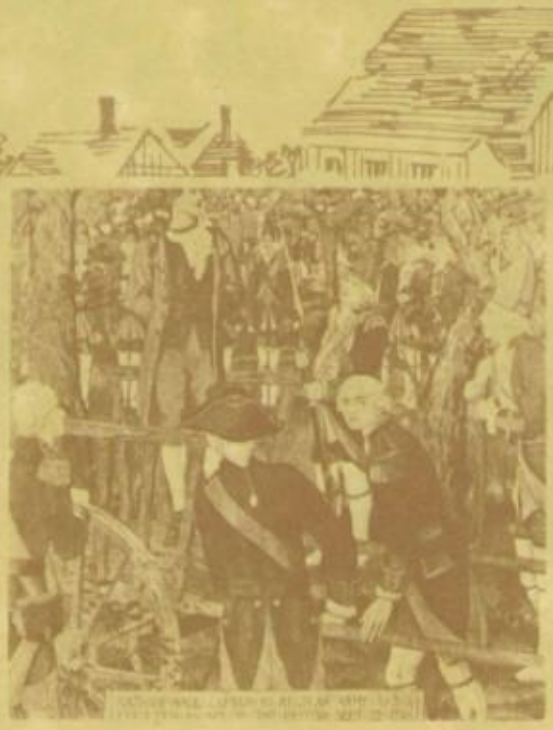
The senior class will leave these hallowed halls of Brocton remembering all the times we spent here, both good and bad, and the friendships that developed. We are looking forward to our class trip, class night, and commencement.

We would like to thank all the teachers and our parents who have helped us through these important years. These are the things that we will always remember, wherever we are.



IN CONGRESS, JULY 4
Declaration of the thirteen united States
A CELEBRATION...
TWO HUNDRED YEARS
OF A NATION

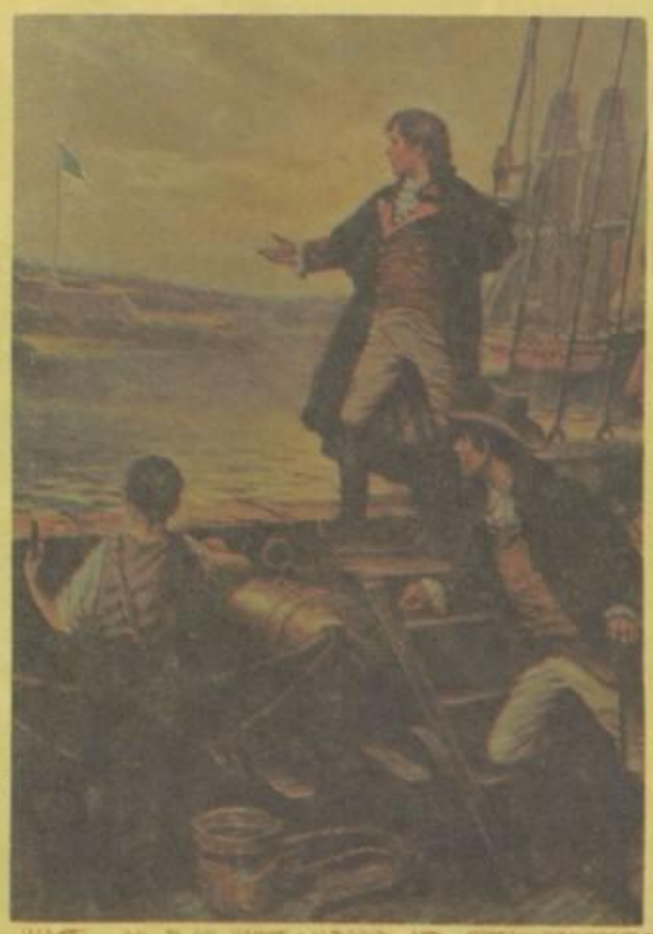


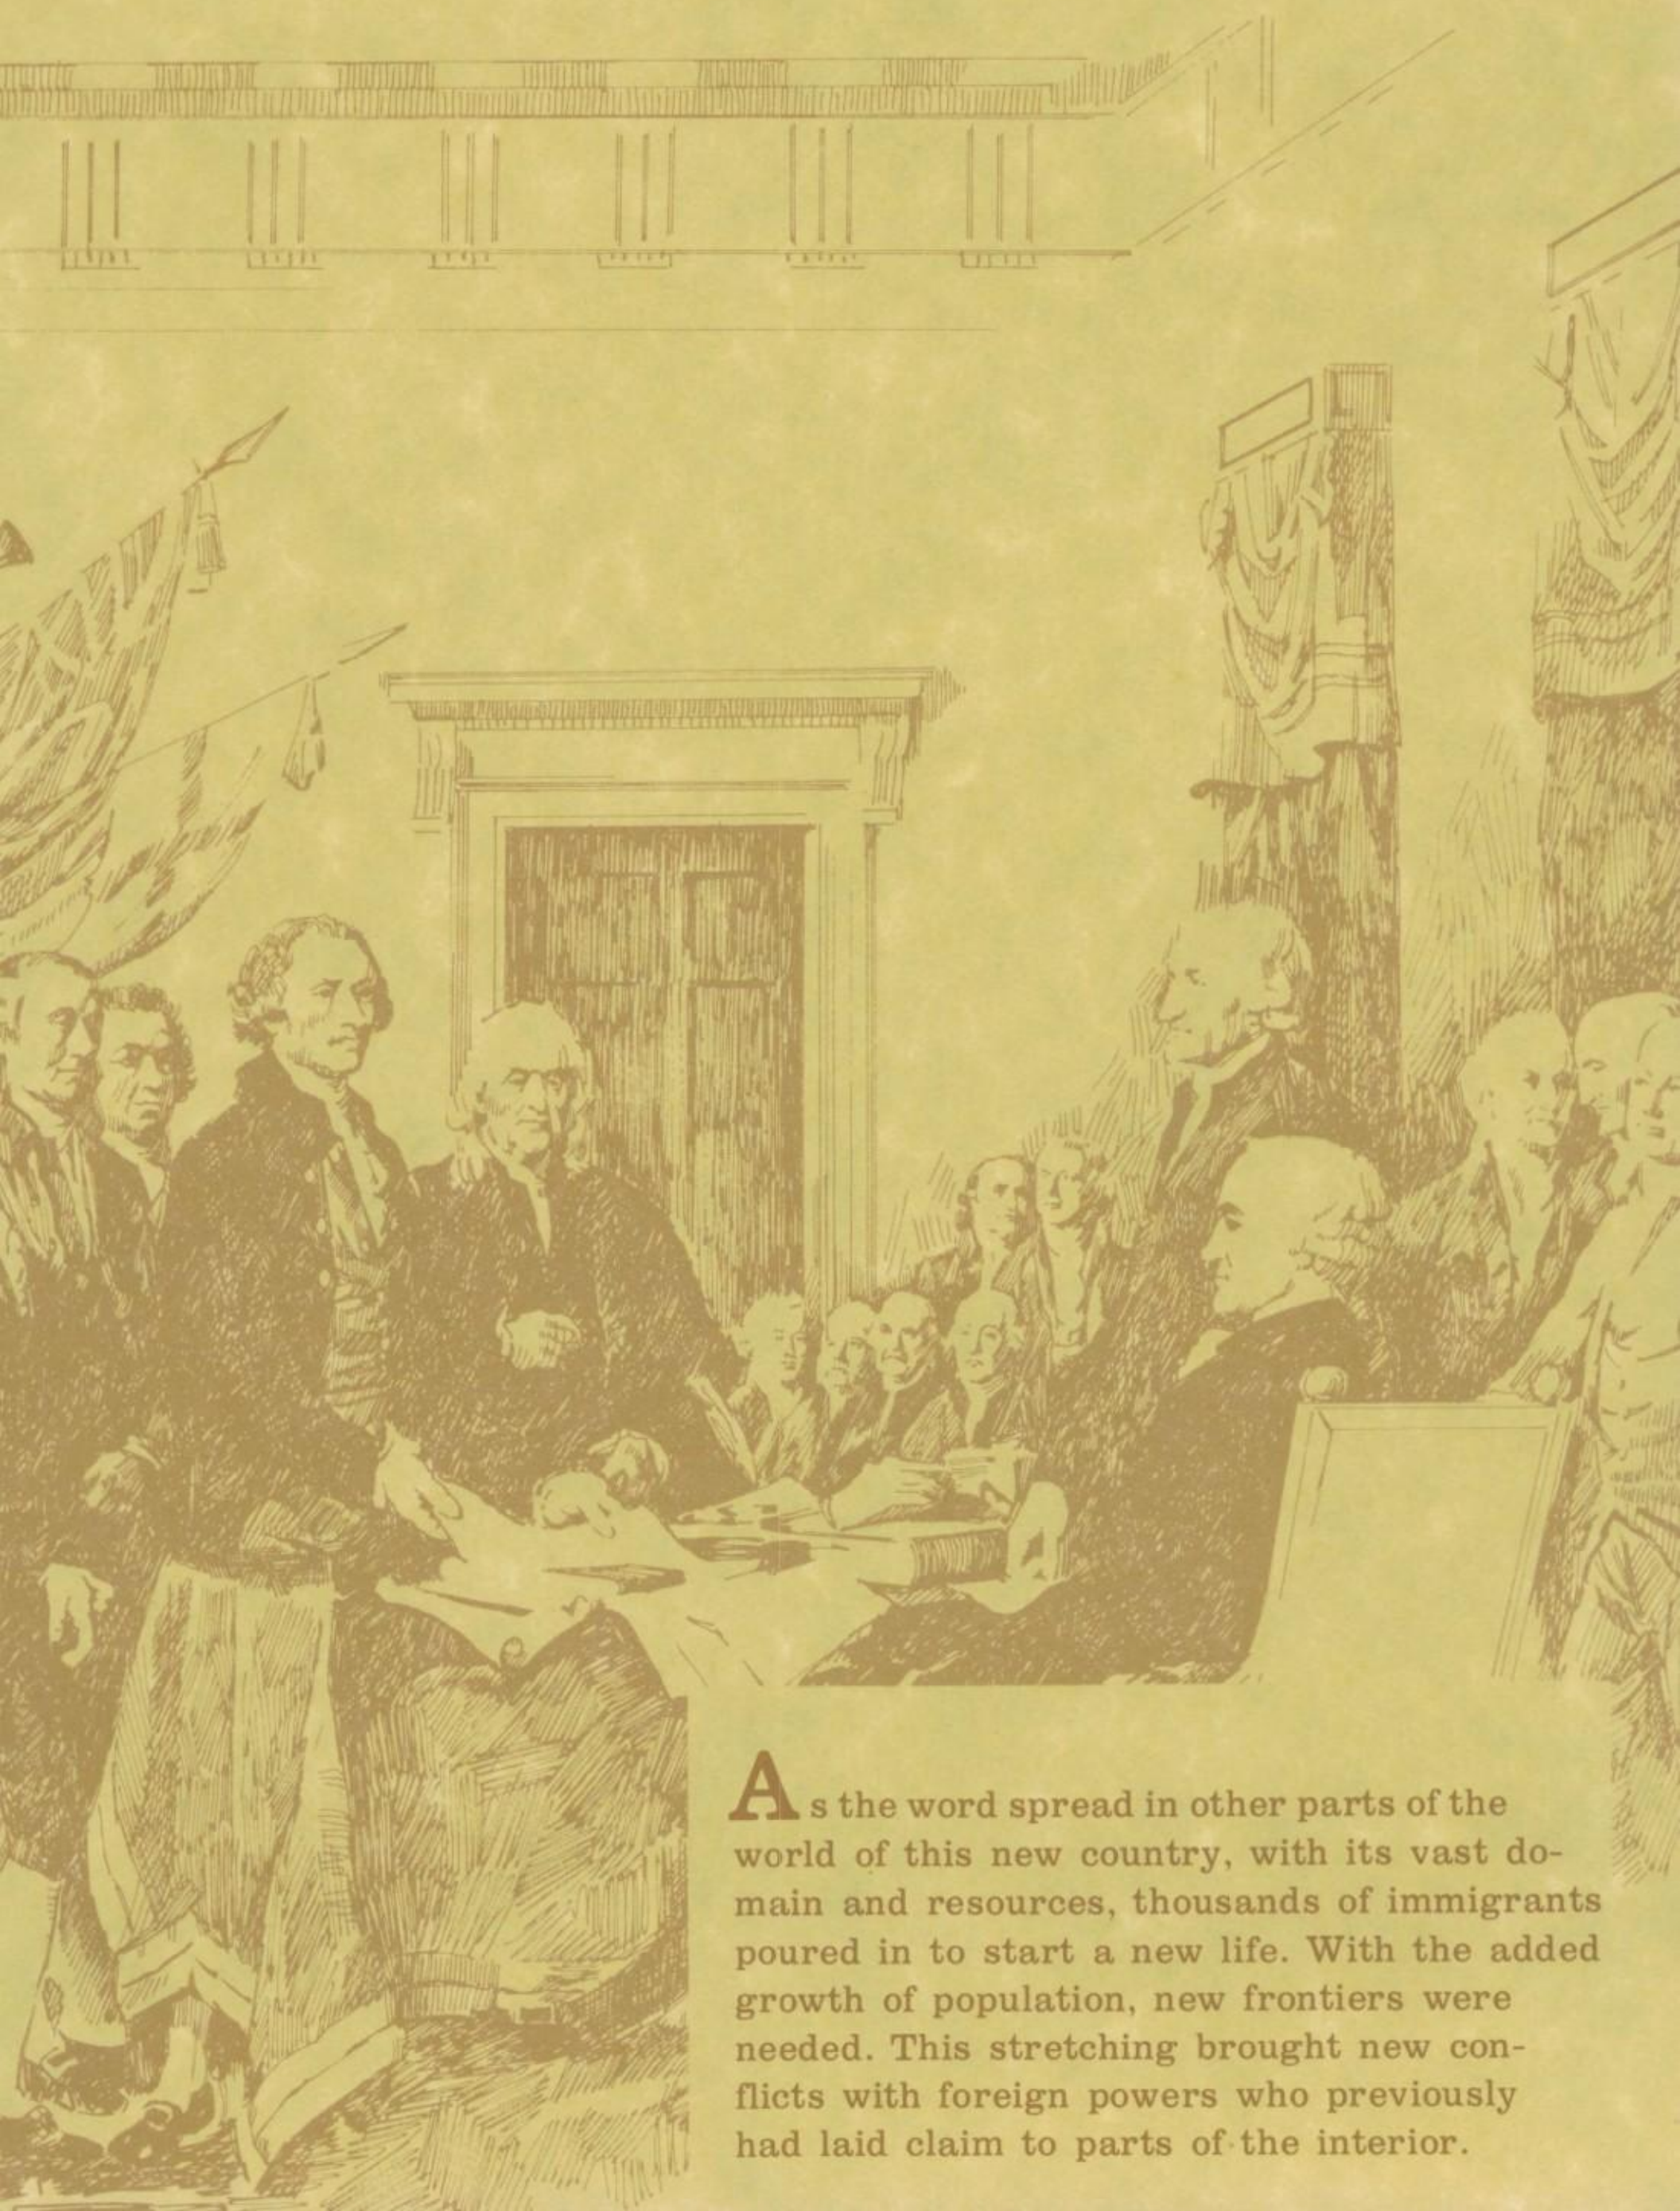


The idea of the original thirteen colonies and their leaders was born out of a passion to be free—to chart their own destiny of building a country out of this thin fabric called Freedom.

The break from England was not to come easily, as this fledgling was viewed as a serious threat to the tentacles of the vast and far-flung British Empire.

Patriots rose from every corner of the struggling country. Help came from other European countries to add to the flame of breaking the grip of England. Farmers, fishermen, cobblers and men from every walk of life took up their arms to defend this new-felt right to be free. As the smoke began to clear, ideas on organizing this diversity of colonies into a coalition of united states began to take shape. The form of a Constitution and Bill of Rights was molded by statesmen who previously were nonexistent.





As the word spread in other parts of the world of this new country, with its vast domain and resources, thousands of immigrants poured in to start a new life. With the added growth of population, new frontiers were needed. This stretching brought new conflicts with foreign powers who previously had laid claim to parts of the interior.

As the gangling country continued to grow, internal disagreement erupted into a battle of economic and philosophical differences. The battle was to leave scars which would heal only after generations had passed. Out of the wounds came a stronger fiber of freedom for the individual man. The country had survived as a unit and now its energies would be put to work in rebuilding the founding fathers' ideals.

THE RUN FOR HOMES IN OKLAHOMA

The need for new frontiers continued as movement spread West. A rapid explosion of technological advances pointed the country into the fore as an industrialized nation.

As one of the leading industrial nations, this strapping, growing giant became embroiled in the first of the World Wars. After its success with other Allied Nations, a never-before-felt boom and prosperity was followed with the shattering bust of the Great Depression.

New leaders were sought to pull the Country out of its fall, while on the horizon new storm clouds were building across the oceans.

A second World War was fought to protect the cause of freedom, as the now grown giant emerged to take its place as the leader of the Free World. This new role has brought with it—many challenges—many successes—some failures . . . and through it all a spirit for all nations to envy—a burning passion that all men may one day be free . . .

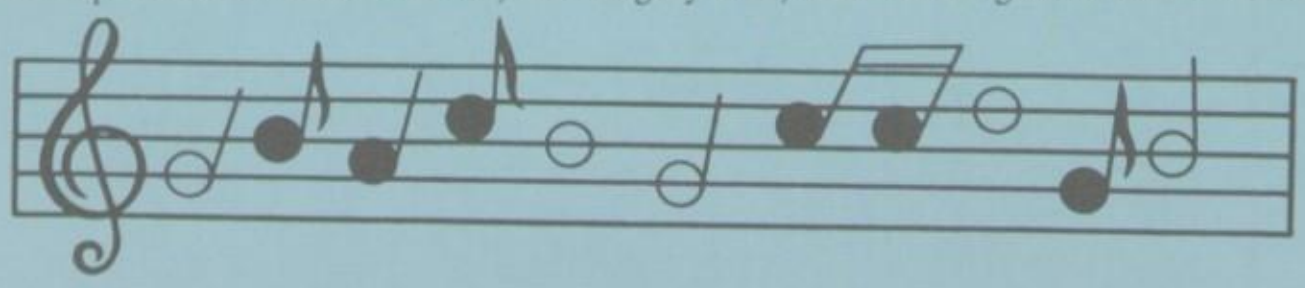
The instrumental music program consists of band instruction with instrumental lessons during school hours given by the band director.

For those of us who were starting instrumental lessons in the 4th grade a flutophone band was organized. This was to be used for an introduction to elective instrumental lessons, which begin in the 5th grade.

After flutophone, we had our choice of which instrument to play throughout our high school years. After choosing our instruments, lessons began and after that was band itself.

At Brocton today, there is no longer a flutophone band, and so instrumental students start in the 5th grade with their instruments. Under the supervision of band director, Mr. Gregory Fox, students are given a chance to become good players with a little work.



That's peanut butter, not a sharp.

If I played like that, I'd hide too.

I wish nobody would laugh while I'm singing my solo.

I crack up every time I try to hit that note.

In 1869 Charles Welch helped his father pioneer a major American industry—the fruit juice industry—by pressing and, for the first time, pasteurizing the juice from 40 pounds of Concord grapes. Charles was 17 years old.

During his lifetime, Charles became a dentist, a business man, an editor, a religious leader and a patron of the arts. He even owned Westfield's first automobile.

"Don't follow the crowd," C.E. once wrote one of his sons, "unless the crowd is right."

That's still pretty good counsel.

THE TINY, LITTLE BREWERY

IS WHERE REAL BEER IS MADE!

Hey . . . have you ever been to the Koch's brewery in Dunkirk? Little red brick building and the smell of the malt and you taste the beer and . . . well . . . I mean that's beer. And . . . hey, you know what one of the big guys said about Koch's? He said, "We spill more beer in a day than Koch's makes. Well, maybe that tells you what they think of their *beer*. I mean when a guy spills a little beer at *Koch's*, a *lotta* people get very sad . . .

In memory of

BRET SMITH

9-30-75

We were together, most of us, for nearly thirteen years. We have shared happiness, embarrassment, tragedy and many, many memories. We have watched each other grow over the years, struggling with problems of school and just plain every-day life. Now the time has come when we are faced with one of the most difficult problems of all; saying good-bye to the friends we love. School may be over for us, but the memories we have acquired will linger in our hearts forever.

Farewell,
